

Equality and Diversity

At Marsh Hill Nursery School we are creating a rights respecting culture where the children begin to learn the benefits of **playing, learning and living together** in a diverse society. We ensure that we:

- have a curriculum where children are taught to recognise and celebrate diversity and difference in their own communities and in the wider society.
- respond consistently and confidently if ideological challenges to individual liberty, tolerance and mutual respect for different faiths and beliefs occur.
- work together with parents and stakeholders to ensure we are part of the wider community and that our ethos permeates respectfully.
